a fascinating examination of how americans think about and write about witches from the real witches tried and sometimes executed in early new england to modern re imaginings of witches as pagan priestesses comic strip heroines and feminist icons the first half of the

book is a thorough re reading of the original documents describing witchcraft prosecutions from 1640 1700 and a re thinking of these sources as far less coherent and trustworthy than most historians have considered them to be the second half of the book examines how these historical narratives have transformed into myths of witchcraft still current in american society writing and visual culture the discussion includes references to everything from increase mather and edgar allan poe to joss whedon the writer director of buffy the vampire slayer which includes a wiccan character and the blair witch project

beyond the taboos the power of magick awaits the rites and rituals of witchcraft are life changing experiences but they are also steeped in mystery transformative witchcraft delves into some of the most persistent mysteries of the craft and provides insightful guidance for raising and directing magickal energy in accordance with your desires jason mankey distills his decades of experience as he shares practical wisdom for raising a cone of power and detailed insights into creating powerful rituals for dedications initiations and elevations in his chapter on drawing down the moon he provides a vivid exploration of invocation and the subtle nuances in preparation and execution that can take the ritual to its most magisterial heights this book also discusses one of the most mysterious of all the magickal rituals the great rite whether you re interested in the great rite in token or in truth there is much to be gleaned from the experiences related here on a topic that is frequently treated as taboo in much of the magickal literature direct experience with the divine and the potent energies of magick are defining experiences in a life of witchcraft filled with compelling personal stories a fascinating brief history of modern wicca and witchcraft striking original rituals and a wealth of tips and techniques this book provides the beginning or intermediate witch with the practical and theoretical keys they need to unlock the mysteries of the craft praise a remarkable and refreshing exploration that is a must read for anyone exploring contemporary wicca and witchcraft through a combination of in depth historical research and charming personal narrative jason mankey provides candid insight into important rituals and practices that are often glossed over or minimally explained in other texts laura tempest zakroff author of sigil witchery and weave the liminal transformative witchcraft by jason mankey finds the perfect balance between the core teachings of magical tradition and the fresh cutting edge magic of the modern witch this well researched book digs deep exploring the foundations of witchcraft in a conversational and honest tone that makes the witchcraft mysteries accessible and current mickie mueller author of the witch s mirror and llewellyn s little book of halloween

once intended a sequel to the sorcerer s handbook by joshua free while writing as merlyn stone in the 1990 s his notebooks composing the historically legendary 1998 book of shadows and eventually the witch s handbook were only released privately to members of his own coven operating in colorado and other groups he networked with during a peak period of development for the modern new age among the many facets explored within these pages you will also encounter the complete structure of the original century old book of shadows illuminated for the first time with a new revolutionary never before published presentation of concise descriptions and references that uncover influential behind the scenes sources of many contemporary wiccan and traditionalist witchcraft movements rites of initiation consecration rituals tools herbs sabbats ceremonies ritual magic spellcraft it s all here from the key of solomon to the rites of the golden dawn and oto to the aradian gospel of witches to the relatively modern innovation of a neopagan eightfold year by three men a druid ross nichols a magician aleister crowley and a witch gerald gardner an underlying story unfolds beneath and back of the 20th century witchcraft revival and no stone or pentacle is left unturned in this effective yet candid complete practical guide to the true arts of witchcraft long standing and returning fans will celebrate the release of the witch s handbook as the missing link of a once proposed merlyn stone trilogy from the 1990 s which includes the sorcerer s handbook and the druid s handbook both of which have been widely accepted in the underground new age scene already

this fourth book in ashley s series traces the roots of the occult devil worship ritual killing witchcraft etc throughout history written in reader friendly but scholarly prose within these pages readers will find potions and charms incantations and amulets there are detailed descriptions of bloody rituals the sensational black masses of france the horrors of the spanish inquisition and an introduction into the habits of werewolves and vampire

the art of manifestation is not only about connecting to the universe to help you to achieve an outcome but also about self understanding self discovery and truly believing in your desires and intentions manifesting your goals and dreams is about making the things you want to happen well happen by drawing on wiccan wisdom you will amplify and enhance all aspects of realising those desires this book shows you how to connect to your inner witch cultivate confidence self belief awareness and how to set powerful intentions it also tells you the secret magic of the numbers 3 6 9 and their use in manifestation techniques this book also explains what manifestation is and isn t and it teaches you all the basics of wicca such as how to work with solar and lunar cycles deities symbols and the five magical elements create a sacred space and a book of shadows to empower and amplify your intentions and manifestations along with a variety of wiccan rituals and spell casting you will discover how to conjure positivity to attract the results you seek

the witch is a uniquely powerful image in western society it is a symbol alternately vilified ridiculed and idealised by differing sectors of society and is a powerful symbol in western mythology this book traces the evolution of the modern representations of witchcraft and paganism from the popular imaginings of witchcraft in 16th century england to their contemporary manifestations amongst neo pagan and wiccan religious movements in america australia and great britain today tracing how this symbol is continually constructed and reconstructed by the neo pagan movement is indicative of broader social political and cultural issues arising out of the interaction of romantic and enlightenment epistemes in western society central to this process is the locating of representations of witchcraft within the twin discourses of romanticism and enlightenment modernity beginning with the aftermath of the english witch hunting craze of the 17th century the book examines how the witch transformed from a symbol of ridicule during the enlightenment to an idealised symbol of romantic rebellion which led to its systemic adoption by romantic religious and political movements along the path it examines the development of the neo pagan movement from 19th century romantic pagan revivals to gardner s wiccan movement the sixties counter culture the rise of eco feminist neo paganism and the contemporary phenomena of teen witches and pop commercialization this book is part of the ritual studies monograph series edited by pamela j stewart and andrew strathern department of anthropology university of pittsburgh modern paganism is still in the process of finding its history dr waldron brings to the quest a very wide knowledge of all aspects of the subject and a good grasp of cultural theory he is fair to all the players in a notoriously complex and fractious field and covers it deftly and evenly deploying his learning and his intellectual models with a light but sure touch ronald hutton professor of historical studies bristol university waldron s identification and critique of the core aspects of the modern witch s identity provide what should be seen as an invitation for practitioners to remove our rose coloured glasses approach to our own history and instead to take on board the results of rigorous investigation for the general public by whom witches are so often misunderstood an academic examination of the movement can only enhance the likelihood of tolerance and understanding that are the essence of religious pluralism caroline tully witchcraft magazine david waldron has done the scholarly community neo pagans and anyone interested in the study of neo paganism and witchcraft a great service with this volume in addition to its historical cultural and social overview of the subject matter it makes for an interesting study in the construction of identities and symbolism within witchcraft i highly recommend this book john w morehead senior editor sacred tribes journal and director western institute for intercultural studies waldron does an excellent job of summarizing the history of the english witch trials their end and the development and commercialization of the witchcraft and

pagan movements the book will be useful for those who want to begin exploring that history as well as to scholars of ideas who want to consider and investigate his basic thesis of the relationship between the romantic and the enlightenment epistemes helen a berger west chester university journal for the scientific study of religion
